

LifeGuard[®]

GREEN PERFORMANCE

LifeGuard Green technology combines a performance fiber with a performance finish which gives our fabrics durability and longevity. Their moisture repellency allows spills to bead up instead of soaking in. This will allow you to gently blot the fabric with a cloth for easy cleanup. From children to pets, LifeGuard Green fabrics can handle stains made by everyday accidents.

LifeGuard is:

- Repels moisture
- Long lasting
- Durable
- Easy to clean
- Resists stains and odors
- PFC Free

Rescuing you from life's spills.

LifeGuard Green Performance is a new fabric collection for a new generation of environmentally conscious consumers that combines trusted performance with sustainability to ensure a better future for everyone.

Unique properties of LifeGuard Green Performance include:

- Innovative collection of modern, affordable performance fabrics that are durable, resist everyday stains, and easily cleaned.
- Made with at least 30% or more of a high-quality polyester yarn made from recycled post-consumer plastic bottles.
 - Each linear yard of fabric contains recycled materials equivalent in volume to approximately 9 standard sized, 500 ml plastic water bottles.
 - Exceptional moisture repellency and stain resistance.
 - Easily cleaned with light brushing, warm water and mild soap.

LifeGuard Green Performance's chemistry contains:

- No added formaldehyde
 - No flame retardants
 - No PFOS's or PFOA's
 - No VOC's
 - No PFC's

LifeGuard Green Performance is the perfect combination of performance and value.

Limited 1 Year Warranty.

Rescuing you from life's spills.
