

TRADITIONAL

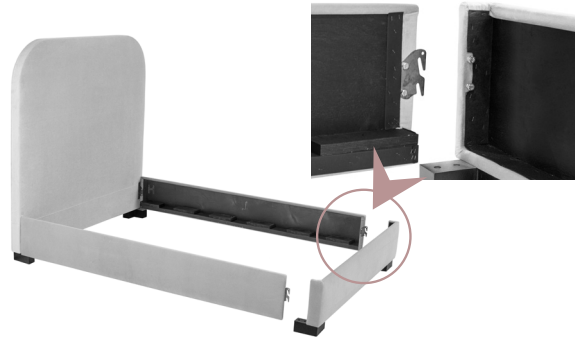

# Assembly Instructions

Dream Creations

**1** Connect each side rail to the headboard by guiding the pre-attached extended fasteners into the headboard slots. Once aligned, lower the rail and press firmly until it locks securely into place.

**2** Attach each side rail to the footboard by aligning the pre-attached extended fasteners with the footboard slots. Lower the rail into position and press down firmly until it is securely locked in place.

**3** Using a wrench, tighten the bolts on the extended fastener. Repeat on the opposite side..

**4** Screw the center support legs into the receiving slats, with the metal T-nut facing up.

**5** Place center support legs inside the bed frame.

**SUPPORT LEGS :**

- 0 | Twin
- 1 | Full
- 2 | Queen
- 3 | King & Ca King

**6** Place slats inside bed frame.

**SLATS**

- 9 | Twin
- 9 | Full
- 9 | Queen
- 9 | King & Ca King

QUEEN BED IS SHOWN ABOVE.
